NAWIC

The Puget Sound Chapter of the National Association of Women in Construction installed its 2008-09 officers and board earlier this month. The officers include: president **Nicole Martin** of MacDonald-Miller Facility Solutions; vice president **Julie Stalzer** of the DLR Group; secretary **Yvonne Missler** of MacDonald-Miller Facility Solutions; and treasurer **Darylene Dennon** of Solid Energy. Board directors include **Gwyn Hart** of Cadman, **Marcie Glenn** of Another Source, **Janifer Hays** of Mowat Construction, **Kathleen Norton** of Trane and **Judy Redford** of Hoffman Structures.

Ferguson Construction

Ferguson Construction promoted **Joe Pomata** and **Corey Schubert** to project managers. The Seattle contractor also hired **Ian McDonald** as a project engineer. Pomata has 15 years of industry experience, starting as a journeyman carpenter. He is LEED accredited and a graduate of the University of Washington's Construction Management program. Schubert has six years of experience and holds a bachelor's degree in construction management from the University of Northern Iowa. McDonald holds a bachelor's degree in construction management from Central Washington University. He graduated at the top of his class.
